

# Product Datasheet

## ST6 Gal Sialyltransferase 1/ST6GAL1/CD75 Antibody (B-L5) - Azide and BSA Free NBP3-18098-200ul

Unit Size: 200 ul

Store at 4C short term. Aliquot and store at -70C long term. Avoid freeze-thaw cycles.

|----------------------|----------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 200 ul                                                                                 |
| <b>Concentration</b> | 1 mg/ml                                                                                |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -70C long term. Avoid freeze-thaw cycles. |
| <b>Clonality</b>     | Monoclonal                                                                             |
| <b>Clone</b>         | B-L5                                                                                   |
| <b>Preservative</b>  | No Preservative                                                                        |
| <b>Isotype</b>       | IgM Kappa                                                                              |
| <b>Purity</b>        | Affinity purified                                                                      |
| <b>Buffer</b>        | PBS. Sterile-filtered through 0.22 um.                                                 |

**Product Description**

|                                |                                                                      |
|--------------------------------|----------------------------------------------------------------------|
| <b>Host</b>                    | Mouse                                                                |
| <b>Gene ID</b>                 | 6480                                                                 |
| <b>Gene Symbol</b>             | ST6GAL1                                                              |
| <b>Species</b>                 | Human                                                                |
| <b>Specificity/Sensitivity</b> | Recognizes lactosamines                                              |
| <b>Immunogen</b>               | Raji cell line. Hybridoma: Myeloma X63/AG.8653 x Balb/c spleen cells |

**Product Application Details**

|                              |                       |
|------------------------------|-----------------------|
| <b>Applications</b>          | ELISA, Flow Cytometry |
| <b>Recommended Dilutions</b> | Flow Cytometry, ELISA |

**Images**

Flow Cytometry: ST6 Gal Sialyltransferase 1/ST6GAL1/CD75 Antibody (B-L5) - Azide and BSA Free [NBP3-18098] - A typical staining pattern with the B-L5 monoclonal antibody of Raji cell line.
