| Conjugate                   | Janelia Fluor 525                                                                                                                                                            |
| Purity                      | Peptide affinity purified                                                                                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                           |
| Product Description         |                                                                                                                                                                              |
| Host                        | Rabbit                                                                                                                                                                       |
| Gene ID                     | 8504                                                                                                                                                                         |
| Gene Symbol                 | PEX3                                                                                                                                                                         |
| Species                     | Human, Mouse, Rat                                                                                                                                                            |
| Immunogen                   | Antibody was raised against a peptide corresponding to 12 amino acids near the carboxyl terminal of human PEX3. The immunogen is located within last 50 amino acids of PEX3. |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                        |
| Product Application Details |                                                                                                                                                                              |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                                           |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                       |
