**NBP3-19638-100ul**

FPGS Antibody (S06-6B1)

**Product Information**

|                                |                                                                                        |
|--------------------------------|----------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ul                                                                                 |
| <b>Concentration</b>           | 0.3 mg/ml                                                                              |
| <b>Storage</b>                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| <b>Clonality</b>               | Monoclonal                                                                             |
| <b>Clone</b>                   | S06-6B1                                                                                |
| <b>Preservative</b>            | 0.01% Sodium Azide                                                                     |
| <b>Isotype</b>                 | IgG                                                                                    |
| <b>Purity</b>                  | Affinity purified                                                                      |
| <b>Buffer</b>                  | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.05% BSA                         |
| <b>Target Molecular Weight</b> | 65 kDa                                                                                 |

**Product Description**

|                    |                                                      |
|--------------------|------------------------------------------------------|
| <b>Host</b>        | Rabbit                                               |
| <b>Gene Symbol</b> | FPGS                                                 |
| <b>Species</b>     | Human, Mouse, Rat                                    |
| <b>Immunogen</b>   | A synthetic peptide of human FPGS (Uniprot # Q05932) |

**Product Application Details**

|                              |              |
|------------------------------|--------------|
| <b>Applications</b>          | Western Blot |
| <b>Recommended Dilutions</b> | Western Blot |

**Images**

Western Blot: FPGS Antibody (S06-6B1) [NBP3-19638] - Western blot detection of FPGS in K562, 3T3 cell lysates using NBP3-19638 (1:1000 diluted). Predicted band size: 65kDa. Observed band size: 65kDa.
