hHR23b Antibody (SAIC-28A-29) [DyLight 650]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | SAIC-28A-29                                                                                 |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG Kappa                                                                                   |
| Conjugate           | DyLight 650                                                                                 |
| Purity              | Protein A purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                               |
| Gene ID             | 5887                                                                                                 |
| Gene Symbol         | RAD23B                                                                                               |
| Species             | Human                                                                                                |
| Immunogen           | Peptide "ILNDDTALK", derived from the UV excision repair protein RAD23 homolog B, conjugated to KLH. |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                    |

| Product Application Details |                                                                                          |
|-----------------------------|------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Mass Spectrometry |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Mass Spectrometry |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                   |
