EpCAM/TROP1 Antibody (rEGP40/7133) [Janelia Fluor® 525]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | rEGP40/7133                                                                                 |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | Janelia Fluor 525                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                                            |
| Gene ID                 | 4072                                                                                                                                                                                                             |
| Gene Symbol             | EPCAM                                                                                                                                                                                                            |
| Species                 | Human                                                                                                                                                                                                            |
| Specificity/Sensitivity | This antibody has been used to distinguish adenocarcinoma from pleural mesothelioma and hepatocellular carcinoma This antibody is also useful in distinguishing serous carcinomas of the ovary from mesothelioma |
| Immunogen               | Recombinant full-length human EpCAM/TROP1 protein                                                                                                                                                                |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                            |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, Immunohistochemistry-Paraffin                          |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry-Paraffin                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
