# NBP3-21131B

KIF2C Antibody (KIF2C/4702) [Biotin]

| KIF2C Antibody (KIF2C/4702) [Blottin] |  |
|---------------------------------------|--|
| Product Information                   |  |
| Unit Size                             | 0.1 ml   |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                               | Store at 4C in the dark.   |
| Clonality                             | Monoclonal   |
| Clone                                 | KIF2C/4702   |
| Preservative                          | 0.05% Sodium Azide   |
| Isotype                               | IgG1 Kappa   |
| Conjugate                             | Biotin   |
| Purity                                | Protein A or G purified  |
| Buffer                                | PBS  |
| Product Description                   |  |
| Host                                  | Mouse  |
| Gene ID                               | 11004  |
| Gene Symbol                           | KIF2C  |
| Species                               | Human  |
| Immunogen                             | Recombinant fragment (around aa500-700) of human KIF2C protein (exact sequence is proprietary) |
| Product Application Details           |  |
| Applications                          | Immunohistochemistry-Paraffin  |
| Recommended Dilutions                 | Immunohistochemistry-Paraffin  |
| Application Notes                     | Optimal dilution of this antibody should be experimentally determined.                         |
|                                       |  |
