**NBP3-22323-100ul**

FMO3 Antibody (SR2010)

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | SR2010                                                                                      |
| Preservative            | 0.02% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Purity                  | Affinity purified                                                                           |
| Buffer                  | PBS, pH 7.4, 150mM NaCl, 50% glycerol.                                                      |
| Target Molecular Weight | 56 kDa                                                                                      |

| Product Description     |                                                                   |
|-------------------------|-------------------------------------------------------------------|
| Host                    | Rabbit                                                            |
| Gene Symbol             | FMO3                                                              |
| Species                 | Human, Mouse, Rat                                                 |
| Specificity/Sensitivity | Detects endogenous levels of total FMO3                           |
| Immunogen               | A synthesized peptide derived from human FMO3 (Uniprot #: P31513) |

| Product Application Details |                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                    |
| Recommended Dilutions       | Western Blot 1:500-1:2000, Immunohistochemistry 1:50-1:200, Immunocytochemistry/ Immunofluorescence 1:50-1:200 |
