**NBP3-22514-100ul**

Kallikrein 8/Neurotrophin Antibody (SR1584)

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ul                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| <b>Clonality</b>               | Monoclonal                                                                                  |
| <b>Clone</b>                   | SR1584                                                                                      |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Affinity purified                                                                           |
| <b>Buffer</b>                  | PBS, pH 7.4, 150mM NaCl, 50% glycerol.                                                      |
| <b>Target Molecular Weight</b> | 35 kDa                                                                                      |

**Product Description**

|                                |                                                                                        |
|--------------------------------|----------------------------------------------------------------------------------------|
| <b>Host</b>                    | Rabbit                                                                                 |
| <b>Gene Symbol</b>             | KLK8                                                                                   |
| <b>Species</b>                 | Human                                                                                  |
| <b>Specificity/Sensitivity</b> | Detects endogenous levels of total Kallikrein 8/Neurotrophin                           |
| <b>Immunogen</b>               | A synthesized peptide derived from human Kallikrein 8/Neurotrophin (Uniprot #: O60259) |

**Product Application Details**

|                              |                                                            |
|------------------------------|------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunohistochemistry                         |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000, Immunohistochemistry 1:50-1:200 |
