

# Product Datasheet

## NIF3L1 Antibody (SR1631)

### NBP3-22525-100ul

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP3-22525-100ul**

NIF3L1 Antibody (SR1631)

| Product Information     |                                                                                             |
|-------------------------|---------------------------------------------------------------------------------------------|
| Unit Size               | 100 ul                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | SR1631                                                                                      |
| Preservative            | 0.02% Sodium Azide                                                                          |
| Isotype                 | IgG                                                                                         |
| Purity                  | Affinity purified                                                                           |
| Buffer                  | PBS, pH 7.4, 150mM NaCl, 50% glycerol.                                                      |
| Target Molecular Weight | 38 kDa                                                                                      |

| Product Description     |                                                                     |
|-------------------------|---------------------------------------------------------------------|
| Host                    | Rabbit                                                              |
| Gene Symbol             | NIF3L1                                                              |
| Species                 | Human                                                               |
| Specificity/Sensitivity | Detects endogenous levels of total NIF3L1                           |
| Immunogen               | A synthesized peptide derived from human NIF3L1 (Uniprot #: Q9GZT8) |

| Product Application Details |                                                                               |
|-----------------------------|-------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                         |
| Recommended Dilutions       | Western Blot 1:500-1:2000, Immunocytochemistry/ Immunofluorescence 1:50-1:200 |
