**NBP3-22595-100ul**

TNFAIP8 Antibody (SR1270)

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 100 ul                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | SR1270                                                                                      |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Purity</b>        | Affinity purified                                                                           |
| <b>Buffer</b>        | PBS, pH 7.4, 150mM NaCl, 50% glycerol.                                                      |

**Product Description**

|                                |                                                                      |
|--------------------------------|----------------------------------------------------------------------|
| <b>Host</b>                    | Rabbit                                                               |
| <b>Gene Symbol</b>             | TNFAIP8                                                              |
| <b>Species</b>                 | Human                                                                |
| <b>Specificity/Sensitivity</b> | Detects endogenous levels of total TNFAIP8                           |
| <b>Immunogen</b>               | A synthesized peptide derived from human TNFAIP8 (Uniprot #: O95379) |

**Product Application Details**

|                              |                           |
|------------------------------|---------------------------|
| <b>Applications</b>          | Western Blot              |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000 |

**Images**

Western Blot: TNFAIP8 Antibody (SR1270) [NBP3-22595] - Western blot analysis using NBP3-22595 in A549 cell lysate.
