| Clone                       | rNEUN/8054                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                       |
| Isotype                     | IgG1 Kappa                                                                                                                                                               |
| Conjugate                   | Janelia Fluor 585                                                                                                                                                        |
| Purity                      | Protein A or G purified                                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                       |
| Product Description         |                                                                                                                                                                          |
| Host                        | Mouse                                                                                                                                                                    |
| Gene ID                     | 146713                                                                                                                                                                   |
| Gene Symbol                 | RBFOX3                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                    |
| Marker                      | Neuronal Marker                                                                                                                                                          |
| Specificity/Sensitivity     | NeuN antibody specifically recognizes the DNA-binding, neuron-specific protein NeuN, which is present in most CNS and PNS neuronal cell types of all vertebrates tested. |
| Immunogen                   | Recombinant fragment (around aa1-200) of human RBFOX3/NeuN protein (exact sequence is proprietary)                                                                       |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                    |
| Product Application Details |                                                                                                                                                                          |
| Applications                | Immunohistochemistry-Paraffin                                                                                                                                            |
| Recommended Dilutions       | Immunohistochemistry-Paraffin                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                   |
