beta-Catenin Antibody (rCTNNB1/8043) [Biotin]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Monoclonal                                                                                          |
| Clone                       | rCTNNB1/8043                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG1 Kappa                                                                                          |
| Conjugate                   | Biotin                                                                                              |
| Purity                      | Protein A or G purified                                                                             |
| Buffer                      | PBS                                                                                                 |
| Product Description         |                                                                                                     |
| Host                        | Mouse                                                                                               |
| Gene ID                     | 1499                                                                                                |
| Gene Symbol                 | CTNNB1                                                                                              |
| Species                     | Human                                                                                               |
| Immunogen                   | Recombinant fragment (around aa1-200) of human beta-Catenin protein (exact sequence is proprietary) |
| Product Application Details |                                                                                                     |
| Applications                | Immunohistochemistry-Paraffin                                                                       |
| Recommended Dilutions       | Immunohistochemistry-Paraffin                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
