Calnexin Antibody (CANX/9147R) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | CANX/9147R                                                                                  |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG Kappa                                                                                   |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------|
| Host                | Rabbit                                                                                                      |
| Gene ID             | 821                                                                                                         |
| Gene Symbol         | CANX                                                                                                        |
| Species             | Human                                                                                                       |
| Marker              | Endoplasmic Reticulum Marker                                                                                |
| Immunogen           | Recombinant N-terminal fragment of human Calnexin protein (around aa 1-300) (exact sequence is proprietary) |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                       |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin                     |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry-Paraffin                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
