CD35 Antibody (CR1/8283R) [Janelia Fluor® 525]

| Product Information         |                                                                                                                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                          |
| Storage                     | Store at 4C in the dark.                                                                                                                                                             |
| Clonality                   | Monoclonal                                                                                                                                                                           |
| Clone                       | CR1/8283R                                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                   |
| Isotype                     | IgG Kappa                                                                                                                                                                            |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                    |
| Purity                      | Protein A or G purified                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                               |
| Gene ID                     | 1378                                                                                                                                                                                 |
| Gene Symbol                 | CR1                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                |
| Marker                      | Follicular Dendritic Cell Marker                                                                                                                                                     |
| Specificity/Sensitivity     | Anti-CD35 is considered a mature B-cell marker which labels follicular dendritic reticulum cells and tumors derived from such cells such as follicular dendritic cell tumor/sarcoma. |
| Immunogen                   | Recombinant fragment (around aa600-900) of human CD35 protein (exact sequence is proprietary)                                                                                        |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                |
| Product Application Details |                                                                                                                                                                                      |
| Applications                | Immunohistochemistry-Paraffin                                                                                                                                                        |
| Recommended Dilutions       | Immunohistochemistry-Paraffin                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                               |
