| Buffer                      | PBS, pH 7.2, 40% glycerol                                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                                 |
| Gene ID                     | 57488                                                                                                                                                                                                                  |
| Gene Symbol                 | ESYT2                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                  |
| Immunogen                   | This antibody has been engineered to specifically recognize the recombinant protein FAM62B using the following amino acid sequence:<br>DHQHSAQVKRPSVSKEGRKTSIKSHMSGSPGPGGSENTAPSTPVIGGSDKPGM<br>EEKAQPPEAGPQGLHDQGRSSS |
| Product Application Details |                                                                                                                                                                                                                        |
| Applications                | Immunocytochemistry/Immunofluorescence                                                                                                                                                                                 |
| Recommended Dilutions       | Immunocytochemistry/Immunofluorescence 0.25-2 µg/ml                                                                                                                                                                    |
| Application Notes           | For ICC/IF, we recommend using a combination of PFA and Triton X-100. This will give you the optimal results for your experiments.                                                                                     |
