IgG2a Antibody (RM219) - Azide and BSA Free

| Product Information |                                          |
|---------------------|------------------------------------------|
| Unit Size           | 100 ug                                   |
| Concentration       | 1 mg/ml                                  |
| Storage             | Store at -20C. Avoid freeze-thaw cycles. |
| Clonality           | Monoclonal                               |
| Clone               | RM219                                    |
| Preservative        | No Preservative                          |
| Isotype             | IgG                                      |
| Purity              | Protein A purified                       |
| Buffer              | PBS                                      |

| Product Description     |                                                                                                                                                      |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                                               |
| Species                 | Mouse                                                                                                                                                |
| Specificity/Sensitivity | This antibody reacts to the Fc region of mouse IgG2a. No cross reactivity with mouse IgG1, IgG2b, IgG2c, IgG3, IgM, IgA, IgE, human IgG, or rat IgG. |
| Immunogen               | Mouse IgG2a                                                                                                                                          |

| Product Application Details |                                                                     |
|-----------------------------|---------------------------------------------------------------------|
| Applications                | Western Blot, ELISA                                                 |
| Recommended Dilutions       | Western Blot : 0.5 ug/ml - 2 ug/ml, ELISA : 0.005 ug/ml - 0.2 ug/ml |
