| Product Description         |                                                                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                                                                |
| Gene Symbol                 | H3C14                                                                                                                                                                                                                 |
| Species                     | Human, Vertebrate                                                                                                                                                                                                     |
| Specificity/Sensitivity     | This Histone H3 [p Thr3] antibody (RM159) reacts to Histone H3 phosphorylated at Threonine 3. No cross reactivity with other phosphorylated histones                                                                  |
| Immunogen                   | This Histone H3 [p Thr3] antibody (RM159) was raised against a phospho-peptide corresponding to Histone H3 [p Thr3]                                                                                                   |
| Product Application Details |                                                                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Multiplex Immunoassay                                                                                                             |
| Recommended Dilutions       | Western Blot : 0.1 ug/ml-1 ug/ml, ELISA : 0.2 ug/mL - 1 ug/mL, Immunohistochemistry : 0.5 ug/ml - 2 ug/ml, Immunocytochemistry/ Immunofluorescence : 0.5 ug/ml - 2 ug/ml, Multiplex Immunoassay : 0.1 ug/ml - 1 ug/ml |
