Histone H2B type 1B [ac Lys23] Antibody (RM260) - Azide and BSA Free

| Product Information |                                          |
|---------------------|------------------------------------------|
| Unit Size           | 100 ug                                   |
| Concentration       | 1 mg/ml                                  |
| Storage             | Store at -20C. Avoid freeze-thaw cycles. |
| Clonality           | Monoclonal                               |
| Clone               | RM260                                    |
| Preservative        | No Preservative                          |
| Isotype             | IgG                                      |
| Purity              | Protein A purified                       |
| Buffer              | PBS                                      |

| Product Description     |                                                                                                                                     |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                                                              |
| Gene Symbol             | H2BC3                                                                                                                               |
| Species                 | Human, Vertebrate                                                                                                                   |
| Specificity/Sensitivity | This antibody reacts to Histone H2B type 1B acetylated at Lysine 23. No cross reactivity with other acetylated Lysines in histones. |
| Immunogen               | An acetyl-peptide corresponding to Histone H2B type 1B [ac Lys23]                                                                   |

| Product Application Details |                                                                                                                                                                             |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Multiplex Immunoassay                                                                                         |
| Recommended Dilutions       | Western Blot : 0.5 ug/ml - 2 ug/ml, ELISA : 0.2 ug/mL-1 ug/mL, Immunocytochemistry/ Immunofluorescence : 0.5 ug/ml - 2 ug/ml, Multiplex Immunoassay : 0.1 ug/ml - 0.5 ug/ml |
