Kallikrein 15 Antibody (05) - Azide and BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.      |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 05                                                                                          |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG1                                                                                        |
| Purity              | Protein A purified                                                                          |
| Buffer              | 0.2 um filtered solution in PBS                                                             |

| Product Description |                                                                                                                                                                                                                              |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                                                                                        |
| Gene ID             | 55554                                                                                                                                                                                                                        |
| Gene Symbol         | KLK15                                                                                                                                                                                                                        |
| Species             | Human                                                                                                                                                                                                                        |
| Immunogen           | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Human Kallikrein 15 (Accession#: NP_059979.2; Met1-Asn256). |

| Product Application Details |                     |
|-----------------------------|---------------------|
| Applications                | ELISA               |
| Recommended Dilutions       | ELISA 1:1000-1:2000 |
