**NBP3-26365-100ul**

Trypsin 2/PRSS2 Antibody (12H7) - BSA Free

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 100 ul                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at -20 to -70C. Avoid freeze-thaw cycles.                                             |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 12H7                                                                                        |
| <b>Preservative</b>  | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Purity</b>        | Affinity purified                                                                           |
| <b>Buffer</b>        | PBS, pH 7.4, 150mM NaCl, and 50% glycerol                                                   |

**Product Description**

|                    |                                                                           |
|--------------------|---------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                    |
| <b>Gene ID</b>     | 5645                                                                      |
| <b>Gene Symbol</b> | PRSS2                                                                     |
| <b>Species</b>     | Human                                                                     |
| <b>Immunogen</b>   | A synthesized peptide derived from Human Trypsin 2/PRSS2 [UniProt P07478] |

**Product Application Details**

|                              |                                                           |
|------------------------------|-----------------------------------------------------------|
| <b>Applications</b>          | ELISA, Immunocytochemistry/ Immunofluorescence            |
| <b>Recommended Dilutions</b> | ELISA, Immunocytochemistry/ Immunofluorescence 1:50-1:200 |

**Images**

Immunocytochemistry/Immunofluorescence: Trypsin 2/PRSS2 Antibody (12H7) [NBP3-26365] - Staining of Jurkat cell with Trypsin 2/PRSS2 Antibody (12H7) at 1:50, counter-stained with DAPI. The cells were fixed in 4% formaldehyde and blocked in 10% normal Goat Serum. The cells were then incubated with the antibody overnight at 4C. The secondary antibody was Alexa Fluor 562-conjugated Goat Anti-Rabbit IgG (H+L).
