| Conjugate                   | DyLight 405                                                                                                                                                                                                                             |
| Purity                      | Protein A purified                                                                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                                                                                                   |
| Species                     | Virus                                                                                                                                                                                                                                   |
| Reactivity Notes            | Varicella Zoster Virus                                                                                                                                                                                                                  |
| Immunogen                   | This antibody was produced from a hybridoma resulting from the fusion of a mouse myeloma with B cells obtained from a mouse immunized with purified, recombinant Varicella Zoster Virus Glycoprotein E (Uniprot#: Q9J3M8; Met1-Tyr538). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                                                         |
| Applications                | Western Blot, ELISA                                                                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                  |
