n-Myc Antibody (PCRP-MYCN-1A9) [CoraFluor™ 1]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark. Do not freeze.                                                     |
| Clonality           | Monoclonal                                                                                  |
| Clone               | PCRP-MYCN-1A9                                                                               |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG1                                                                                        |
| Conjugate           | CoraFluor 1                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                                                                               |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                         |
| Gene ID             | 4613                                                                                                                                                          |
| Gene Symbol         | MYCN                                                                                                                                                          |
| Species             | Human                                                                                                                                                         |
| Reactivity Notes    | Predicted to react with rat.                                                                                                                                  |
| Immunogen           | Recombinant protein domain (around aa335-463) of human n-Myc protein                                                                                          |
| Notes               | CoraFluor (TM) is a trademark of Bio-Techne Corp. Sold for research purposes only under agreement from Massachusetts General Hospital. US patent 2022/0025254 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Flow Cytometry                                                  |
| Recommended Dilutions       | Flow Cytometry, ELISA                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
