**NBP3-27883H**

DHX36 Antibody [HRP]

| Product Information         |                                                                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                           |
| Storage                     | Store at 4C in the dark.                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                            |
| Preservative                | No Preservative                                                                                                                                                       |
| Conjugate                   | HRP                                                                                                                                                                   |
| Purity                      | Peptide affinity purified                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                |
| Gene ID                     | 170506                                                                                                                                                                |
| Gene Symbol                 | DHX36                                                                                                                                                                 |
| Species                     | Human, Mouse                                                                                                                                                          |
| Specificity/Sensitivity     | At least four isoforms of DDX36 are known to exist; this antibody will detect the three longest isoforms.                                                             |
| Immunogen                   | DHX36 antibody was raised against a 19 amino acid peptide near the carboxy terminus of human DHX36. The immunogen is located within the last 50 amino acids of DHX36. |
| Product Application Details |                                                                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunohistochemistry-Paraffin                                                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry-Paraffin                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                |
