**NBP3-27941**

SNF1LK2/SIK2 Antibody (S15G10) - BSA Free

**Product Information**

|                      |                                         |
|----------------------|-----------------------------------------|
| <b>Unit Size</b>     | 0.05 mg                                 |
| <b>Concentration</b> | 0.5 mg/ml                               |
| <b>Storage</b>       | Store at 4C in the dark. Do not freeze. |
| <b>Clonality</b>     | Monoclonal                              |
| <b>Clone</b>         | S15G10                                  |
| <b>Preservative</b>  | 0.09% Sodium Azide                      |
| <b>Isotype</b>       | IgG1                                    |
| <b>Purity</b>        | Affinity purified                       |
| <b>Buffer</b>        | PBS (pH 7.2)                            |

**Product Description**

|                    |                                                                                                                                                                                                                          |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Mouse SNF1LK2/SIK2 Antibody (S15G10) - BSA Free (NBP3-27941) is a monoclonal antibody validated for use in IHC, WB, ICC/IF and IP. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Mouse                                                                                                                                                                                                                    |
| <b>Gene ID</b>     | 23235                                                                                                                                                                                                                    |
| <b>Gene Symbol</b> | SIK2                                                                                                                                                                                                                     |
| <b>Species</b>     | Human                                                                                                                                                                                                                    |
| <b>Immunogen</b>   | SNF1LK2/SIK2 monoclonal antibody was raised against recombinant full length SNF1LK2/SIK2 (Human).                                                                                                                        |

**Product Application Details**

|                              |                                                                                                                               |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunoprecipitation                              |
| <b>Recommended Dilutions</b> | Western Blot 1:250, Immunohistochemistry 10 ug/mL, Immunocytochemistry/ Immunofluorescence 1:100 - 1:400, Immunoprecipitation |

**Images**

Immunohistochemistry: SNF1LK2/SIK2 Antibody (S15G10) [NBP3-27941] - Immunohistochemistry staining of SNF1LK2/SIK2 in pancreas tissue using SNF1LK2/SIK2 monoclonal Antibody.
