**NBP3-28131B**

Mrc2 Antibody [Biotin]

| Product Information         |                                                                                                                                          |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                              |
| Storage                     | Store at 4C in the dark.                                                                                                                 |
| Clonality                   | Monoclonal                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                       |
| Isotype                     | IgG1                                                                                                                                     |
| Conjugate                   | Biotin                                                                                                                                   |
| Purity                      | Protein A purified                                                                                                                       |
| Buffer                      | PBS                                                                                                                                      |
| Product Description         |                                                                                                                                          |
| Description                 | The heavy chain type is hulgG1, and the light chain type is hukappa. It has a predicted MW of 145.42 kDa.<br><br>Patent #: US20150359905 |
| Host                        | Human                                                                                                                                    |
| Gene ID                     | 9902                                                                                                                                     |
| Gene Symbol                 | MRC2                                                                                                                                     |
| Species                     | Human                                                                                                                                    |
| Immunogen                   | MRC2 / CD280                                                                                                                             |
| Product Application Details |                                                                                                                                          |
| Applications                | ELISA, Flow Cytometry, Functional                                                                                                        |
| Recommended Dilutions       | Flow Cytometry, ELISA, Functional                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                   |
