IL-1Rrp2/IL-1R6 Antibody [Janelia Fluor® 669] - (Research Grade spesolimab Biosimilar)

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG1                                                                                        |
| Conjugate                   | Janelia Fluor 669                                                                           |
| Purity                      | Protein A purified                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Human                                                                                       |
| Gene ID                     | 8808                                                                                        |
| Gene Symbol                 | IL1RL2                                                                                      |
| Species                     | Human                                                                                       |
| Reactivity Notes            | Predicted species reactivity: Mouse                                                         |
| Immunogen                   | IL-1RL2 / IL-36R                                                                            |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.       |
| Product Application Details |                                                                                             |
| Applications                | ELISA, Flow Cytometry, Functional                                                           |
| Recommended Dilutions       | Flow Cytometry, ELISA, Functional                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
