| Purity                      | Protein A purified                                                                                                                     |
| Buffer                      | PBS                                                                                                                                    |
| Product Description         |                                                                                                                                        |
| Description                 | The heavy chain type is hulgG1, and the light chain type is hukappa. It has a predicted MW of 145.5 kDa.<br><br>Patent #: WO2013109856 |
| Host                        | Human                                                                                                                                  |
| Gene ID                     | 9965                                                                                                                                   |
| Gene Symbol                 | FGF19                                                                                                                                  |
| Species                     | Human                                                                                                                                  |
| Immunogen                   | FGF19                                                                                                                                  |
| Product Application Details |                                                                                                                                        |
| Applications                | ELISA, Flow Cytometry, Functional                                                                                                      |
| Recommended Dilutions       | Flow Cytometry, ELISA, Functional                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                 |
