GM632 Antibody - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ug                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C. Do not freeze.                                                                 |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.09% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Affinity purified                                                                           |
| Buffer              | Tris-citrate/phosphate buffer, pH 7 to 8                                                    |

| Product Description |                     |
|---------------------|---------------------|
| Host                | Rabbit              |
| Gene ID             | 57473               |
| Gene Symbol         | ZNF512B             |
| Species             | Human               |
| Immunogen           | between 650 and 700 |
| Assay Type          | [Assay Type]        |
| Sample Volume       | [Sample Volume]     |

| Product Application Details |              |
|-----------------------------|--------------|
| Applications                | Western Blot |
| Recommended Dilutions       | Western Blot |

## Images

Western Blot:[NBP3-28902]-Detection of human ZNF512B by western blot. Samples: Whole cell lysate from HeLa , HEK293T and Jurkat cells. Antibodies: Affinity purified rabbit anti-ZNF512B antibody used for WB at 0. 1 µg/ml. Detection: Chemiluminescence with an exposure time of 3 minutes.

Western Blot:[NBP3-28902]-GM632 Antibody
