MEPCE Antibody - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ug                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C. Do not freeze.                                                                 |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.09% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Affinity purified                                                                           |
| Buffer              | Tris-citrate/phosphate buffer, pH 7 to 8                                                    |

| Product Description |                     |
|---------------------|---------------------|
| Host                | Rabbit              |
| Gene ID             | 56257               |
| Gene Symbol         | MEPCE               |
| Species             | Human               |
| Immunogen           | Between 639 and 689 |
| Assay Type          | [Assay Type]        |
| Sample Volume       | [Sample Volume]     |

| Product Application Details |                                           |
|-----------------------------|-------------------------------------------|
| Applications                | Immunohistochemistry, Immunoprecipitation |
| Recommended Dilutions       | Immunohistochemistry, Immunoprecipitation |

## Images

Immunohistochemistry;MEPCE Antibody[NBP3-29492]Detection of human MEPCE by immunohistochemistry. Sample: FFPE section of human ovarian carcinoma. Antibody: Affinity purified rabbit anti-MEPCE used at a dilution of 1:1,000 . Detection: DAB. Counterstain: IHC Hematoxylin .

Immunoprecipitation:MEPCE AntibodyNBP3-29493] -Detection of human MEPCE by western blot of immunoprecipitates. Samples: Whole cell lysate (1 mg for IP; 20% of IP loaded) from 293T cells. Antibodies: Affinity purified rabbit anti-MEPCE antibody NBP3-29493 (lot NBP3-29493-1) used for IP at 6 µg/mg lysate. MEPCE was also immunoprecipitated by rabbit anti-MEPCE.. For blotting immunoprecipitated MEPCE, A304-184A was used at 1 µg/ml. Detection: Chemiluminescence with an exposure time of 10 seconds.
