**NBP3-30745F**

Collectrin/TMEM27 Antibody [FITC]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Polyclonal                                                                                  |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>       | IgG                                                                                         |
| <b>Conjugate</b>     | FITC                                                                                        |
| <b>Purity</b>        | Antigen and protein A Affinity-purified                                                     |
| <b>Buffer</b>        | PBS                                                                                         |

**Product Description**

|                    |                                                                                                                      |
|--------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                                                                               |
| <b>Gene Symbol</b> | CLTRN                                                                                                                |
| <b>Species</b>     | Human                                                                                                                |
| <b>Immunogen</b>   | Produced in rabbits immunized with purified, recombinant Human Collectrin/TMEM27 (RefSeq#: NP_065716.1; Met1-Pro141) |

**Product Application Details**

|                              |                                                                        |
|------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>          | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin             |
| <b>Recommended Dilutions</b> | ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin             |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined. |
