**NBP3-30924-100ug**

NHE6/SLC9A6 Antibody

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 100 ug                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>     | Polyclonal                                                                                  |
| <b>Preservative</b>  | 0.08% Sodium Azide                                                                          |
| <b>Purity</b>        | Ammonium sulfate precipitation                                                              |
| <b>Buffer</b>        | Phosphate buffered saline                                                                   |

**Product Description**

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                   |
| <b>Gene ID</b>     | 10479                                                    |
| <b>Gene Symbol</b> | SLC9A6                                                   |
| <b>Species</b>     | Human                                                    |
| <b>Immunogen</b>   | Synthetic peptide derived from human NHE6/SLC9A6 protein |

**Product Application Details**

|                              |                          |
|------------------------------|--------------------------|
| <b>Applications</b>          | Western Blot             |
| <b>Recommended Dilutions</b> | Western Blot : 1-5 ug/ml |

**Images**

Western Blot: NHE6/SLC9A6 Antibody [NBP3-30924] - Western blot using NHE6 antibody (Cat. No. NBP3-30924) on human brain lysate (15 ug/lane). Antibody used at 10 ug/ml. Secondary antibody, mouse anti-rabbit , used at 1:150K dilution.
