| Gene Symbol                 | CPSF6                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Immunogen                   | <p>Recombinant fusion protein containing a sequence corresponding to amino acids 1-330 of human CPSF6 (NP_008938.2).</p> <p>Sequence:<br/> MADGVDHIDIYADVGEFNQEA EYGGHDQIDLYDDVISPSANNGDAPEDRDYM<br/> DTLPPTVGDDVGKGAAPNVVYTYTGKRIALYIGNLTWWTTDEDL TEAVHSLGV<br/> NDILEIKFFENRANGQSKGFALVGVGSEASSKKLMDLLPKRELHGQNPVVTPC<br/> NKQFLSQFEMQSRKTTQSGQMSGEGKAGPPGGSSRAAFPQGGRRGRFRPG<br/> AVPGGDRFPGPAGPGGPPPPFPAGQTPPRPPLGPPGPPGPPPPGQVLP<br/> PPLAGPPNRGDRPPPPVLFPGQPFGQPPLGPLPPGPPPPVPGYGPPPGPPPP<br/> QQGPPPPPGPFPPRPPGP</p> |
| Product Application Details |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation                                                                                                                                                                                                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin                                                                                                                                                                                                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
