RGC32 Antibody

| Product Information |                                                                                        |
|---------------------|----------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                 |
| Concentration       | 0.36 mg/ml                                                                             |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality           | Polyclonal                                                                             |
| Preservative        | 0.05% Proclin 300                                                                      |
| Purity              | Antigen and protein A Affinity-purified                                                |
| Buffer              | 0.01M PBS, pH7.4, 50% glycerol                                                         |

| Product Description |                                                    |
|---------------------|----------------------------------------------------|
| Host                | Rabbit                                             |
| Gene ID             | 28984                                              |
| Gene Symbol         | RGCC                                               |
| Species             | Human, Mouse, Rat, Porcine                         |
| Immunogen           | Immunogen sequence: Met1-Met137 (Uniprot#: Q9H4X1) |

| Product Application Details |                                                                                                            |
|-----------------------------|------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                |
| Recommended Dilutions       | Western Blot 0.5-2ug/mL, Immunohistochemistry 5-20ug/mL, Immunocytochemistry/ Immunofluorescence 5-20ug/mL |
