LCN15 Antibody

| Product Information |                                                                                        |
|---------------------|----------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                 |
| Concentration       | 0.29 mg/ml                                                                             |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles. |
| Clonality           | Polyclonal                                                                             |
| Preservative        | 0.02% Sodium Azide                                                                     |
| Purity              | Antigen and protein A Affinity-purified                                                |
| Buffer              | PBS, pH7.4, 50% glycerol                                                               |

| Product Description |                                                     |
|---------------------|-----------------------------------------------------|
| Host                | Rabbit                                              |
| Gene ID             | 389812                                              |
| Gene Symbol         | LCN15                                               |
| Species             | Human                                               |
| Immunogen           | Immunogen sequence: Pro26-Leu170 (Uniprot#: Q6UWW0) |

| Product Application Details |                                                                                                             |
|-----------------------------|-------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                 |
| Recommended Dilutions       | Western Blot 0.01-2ug/mL, Immunohistochemistry 5-20ug/mL, Immunocytochemistry/ Immunofluorescence 5-20ug/mL |
