| Clonality                   | Monoclonal                                                                                                                                               |
| Clone                       | 6A0                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                       |
| Isotype                     | IgG2a                                                                                                                                                    |
| Conjugate                   | FITC                                                                                                                                                     |
| Purity                      | Protein A or G purified                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                      |
| Product Description         |                                                                                                                                                          |
| Host                        | Mouse                                                                                                                                                    |
| Gene ID                     | 3030                                                                                                                                                     |
| Gene Symbol                 | HADHA                                                                                                                                                    |
| Species                     | Human, Mouse                                                                                                                                             |
| Immunogen                   | hydroxyacyl-Coenzyme A dehydrogenase/3-ketoacyl-Coenzyme A thiolase/enoyl-Coenzyme A hydratase(trifunctional protein), alpha subunit - (Uniprot# P40939) |
| Product Application Details |                                                                                                                                                          |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                   |
