GREB1 Antibody (CL13859) [Biotin]

| Product Information         |                                                                                                                                      |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                               |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                     |
| Storage                     | Store at 4C in the dark.                                                                                                             |
| Clonality                   | Monoclonal                                                                                                                           |
| Clone                       | CL13859                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                   |
| Isotype                     | IgG2a                                                                                                                                |
| Conjugate                   | Biotin                                                                                                                               |
| Purity                      | Protein A purified                                                                                                                   |
| Buffer                      | PBS                                                                                                                                  |
| Product Description         |                                                                                                                                      |
| Host                        | Mouse                                                                                                                                |
| Gene ID                     | 9687                                                                                                                                 |
| Gene Symbol                 | GREB1                                                                                                                                |
| Species                     | Human                                                                                                                                |
| Immunogen                   | This antibody was generated using a recombinant protein sequence of Q4ZG55, with the exact immunogen sequence remaining proprietary. |
| Product Application Details |                                                                                                                                      |
| Applications                | Western Blot, Immunohistochemistry-Paraffin                                                                                          |
| Recommended Dilutions       | Western Blot, Immunohistochemistry-Paraffin                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                               |
