# NBP3-43982UV

CTGF/CCN2 Antibody (CL5339) [DvLight 350]

| CTGF/CCN2 Antibody (CL5339) [DyLight 350] |  |
|---|--|
| Product Information                       |  |
| Unit Size                                 | 0.1 ml   |
| Concentration                             | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                     |
| Storage                                   | Store at 4C in the dark.   |
| Clonality                                 | Monoclonal   |
| Clone                                     | CL5339   |
| Preservative                              | 0.05% Sodium Azide   |
| Isotype                                   | IgG1   |
| Conjugate                                 | DyLight 350  |
| Purity                                    | Protein A purified   |
| Buffer                                    | 50mM Sodium Borate   |
| Product Description                       |  |
| Host                                      | Mouse  |
| Gene ID                                   | 1490   |
| Gene Symbol                               | CTGF, CCN2, CCN2, CTGF, CTGF, CCN2, CTGF   |
| Species                                   | Human, Mouse, Rat  |
| Immunogen                                 | This antibody was generated using a recombinant protein sequence of P29279, with the exact immunogen sequence remaining proprietary. |
| Notes                                     | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.  |
| Product Application Details               |  |
| Applications                              | Western Blot, Immunohistochemistry-Paraffin  |
| Recommended Dilutions                     | Western Blot, Immunohistochemistry-Paraffin  |
| A 11 41 A1 4                              |  |

| 1 Todaot Application Botalio |  |
|------------------------------|--|
| Applications                 | Western Blot, Immunohistochemistry-Paraffin                            |
| Recommended Dilutions        | Western Blot, Immunohistochemistry-Paraffin                            |
| Application Notes            | Optimal dilution of this antibody should be experimentally determined. |
|                              |  |
