SALL4 Antibody (CL12185) [Biotin]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.          |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Monoclonal                                                                                                                |
| Clone                       | CL12185                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Isotype                     | IgG1                                                                                                                      |
| Conjugate                   | Biotin                                                                                                                    |
| Purity                      | Protein A purified                                                                                                        |
| Buffer                      | PBS                                                                                                                       |
| Product Description         |                                                                                                                           |
| Host                        | Mouse                                                                                                                     |
| Gene ID                     | 57167                                                                                                                     |
| Gene Symbol                 | SALL4                                                                                                                     |
| Species                     | Human                                                                                                                     |
| Immunogen                   | This antibody was generated using a synthetic peptide of Q9UJQ4, with the exact immunogen sequence remaining proprietary. |
| Product Application Details |                                                                                                                           |
| Applications                | Immunocytochemistry/ Immunofluorescence                                                                                   |
| Recommended Dilutions       | Immunocytochemistry/ Immunofluorescence                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
