MAGEB4 Antibody (OTI3A2) [Janelia Fluor® 549]

| Product Information         |                                                                                                                      |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                          |
| Storage                     | Store at 4C in the dark.                                                                                             |
| Clonality                   | Monoclonal                                                                                                           |
| Clone                       | OTI3A2                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                   |
| Isotype                     | IgG1                                                                                                                 |
| Conjugate                   | Janelia Fluor 549                                                                                                    |
| Purity                      | >95%                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                   |
| Product Description         |                                                                                                                      |
| Host                        | Mouse                                                                                                                |
| Gene ID                     | 4115                                                                                                                 |
| Gene Symbol                 | MAGEB4                                                                                                               |
| Species                     | Human                                                                                                                |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 1-193 of human MAGEB4(NP_002358) produced in E.coli. |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                |
| Product Application Details |                                                                                                                      |
| Applications                | Western Blot                                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                               |
