| Unit Size                   | 100 ug                                                                                                                                                                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                                                                          |
| Storage                     | Store at -20 degrees C. Avoid freeze/thaw cycles.                                                                                                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                                                                                                                           |
| Clone                       | OTI6G6                                                                                                                                                                                                                                               |
| Preservative                | 8% Trehalose                                                                                                                                                                                                                                         |
| Reconstitution Instructions | For reconstitution, we recommend adding 100uL distilled water to a final antibody concentration of about 1 mg/mL. To use this carrier-free antibody for conjugation experiment, we strongly recommend performing another round of desalting process. |
| Isotype                     | IgG1                                                                                                                                                                                                                                                 |
| Purity                      | >95%                                                                                                                                                                                                                                                 |
| Buffer                      | Lyophilized powder ( 1X PBS, pH 7.3,)                                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                                                      |
| Host                        | Mouse                                                                                                                                                                                                                                                |
