HOXD9 Antibody (OTI4H10) [Biotin]

| Product Information         |                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                            |
| Storage                     | Store at 4C in the dark.                                                                                               |
| Clonality                   | Monoclonal                                                                                                             |
| Clone                       | OTI4H10                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                     |
| Isotype                     | IgG1                                                                                                                   |
| Conjugate                   | Biotin                                                                                                                 |
| Purity                      | >95%                                                                                                                   |
| Buffer                      | PBS                                                                                                                    |
| Product Description         |                                                                                                                        |
| Host                        | Mouse                                                                                                                  |
| Gene ID                     | 3235                                                                                                                   |
| Gene Symbol                 | HOXD9                                                                                                                  |
| Species                     | Human                                                                                                                  |
| Immunogen                   | Human recombinant protein fragment corresponding to amino acids 109-352 of human HOXD9 (NP_055028) produced in E.coli. |
| Product Application Details |                                                                                                                        |
| Applications                | Western Blot                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                 |
