TRPT1 Antibody - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ug                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.02% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | PBS, 50% Glycerol, pH (7.3)                                                                 |

| Product Description |                                              |
|---------------------|----------------------------------------------|
| Host                | Rabbit                                       |
| Gene ID             | 83707                                        |
| Gene Symbol         | TRPT1                                        |
| Species             | Human, Mouse, Rat                            |
| Immunogen           | tRNA phosphotransferase 1. (Uniprot# Q86TN4) |

| Product Application Details |                                        |
|-----------------------------|----------------------------------------|
| Applications                | ELISA, Immunohistochemistry            |
| Recommended Dilutions       | ELISA, Immunohistochemistry 1:20-1:200 |
