**NBP3-45998**

LSG1 Antibody - BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ug                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Immunogen affinity purified                                                                 |
| <b>Buffer</b>                  | PBS, 50% Glycerol, pH (7.3)                                                                 |
| <b>Target Molecular Weight</b> | 75 kDa                                                                                      |

**Product Description**

|                    |                                                   |
|--------------------|---------------------------------------------------|
| <b>Host</b>        | Rabbit                                            |
| <b>Gene ID</b>     | 55341                                             |
| <b>Gene Symbol</b> | LSG1                                              |
| <b>Species</b>     | Human, Mouse, Rat                                 |
| <b>Immunogen</b>   | large subunit GTPase 1 homolog. (Uniprot# Q9H089) |

**Product Application Details**

|                              |                                                                   |
|------------------------------|-------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, ELISA, Immunohistochemistry                         |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:20-1:200 |
