RNF38 Antibody - BSA Free

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ug                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| Clonality           | Polyclonal                                                                                  |
| Preservative        | 0.02% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Purity              | Immunogen affinity purified                                                                 |
| Buffer              | PBS, 50% Glycerol, pH (7.3)                                                                 |

| Product Description |                                           |
|---------------------|-------------------------------------------|
| Host                | Rabbit                                    |
| Gene ID             | 152006                                    |
| Gene Symbol         | RNF38                                     |
| Species             | Human                                     |
| Immunogen           | ring finger protein 38. (Uniprot# Q9H0F5) |

| Product Application Details |                                           |
|-----------------------------|-------------------------------------------|
| Applications                | Western Blot, ELISA                       |
| Recommended Dilutions       | Western Blot 1:500-1:2000, ELISA          |
| Application Notes           | Theoretical Molecular Weight is 43-58 kDa |
