DNA Polymerase iota Antibody - BSA Free

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 100 ug                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at -20C. Avoid freeze-thaw cycles.                                                            |
| Clonality                   | Polyclonal                                                                                          |
| Preservative                | 0.02% Sodium Azide                                                                                  |
| Isotype                     | IgG                                                                                                 |
| Purity                      | Immunogen affinity purified                                                                         |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                         |
| Target Molecular Weight     | 87 kDa                                                                                              |
| Product Description         |                                                                                                     |
| Host                        | Rabbit                                                                                              |
| Gene ID                     | 11201                                                                                               |
| Gene Symbol                 | POLI                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                   |
| Immunogen                   | polymerase(DNA directed) iota. (Uniprot# Q9UNA4)                                                    |
| Product Application Details |                                                                                                     |
| Applications                | Western Blot, ELISA, Immunohistochemistry, Immunoprecipitation                                      |
| Recommended Dilutions       | Western Blot 1:500-1:2000, ELISA, Immunohistochemistry 1:20-1:200, Immunoprecipitation 1:500-1:2000 |
