**NBP3-47461**

KIR2DS3 Antibody - BSA Free

**Product Information**

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ug                                                                                      |
| <b>Concentration</b>           | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Store at -20C. Avoid freeze-thaw cycles.                                                    |
| <b>Clonality</b>               | Polyclonal                                                                                  |
| <b>Preservative</b>            | 0.02% Sodium Azide                                                                          |
| <b>Isotype</b>                 | IgG                                                                                         |
| <b>Purity</b>                  | Immunogen affinity purified                                                                 |
| <b>Buffer</b>                  | PBS, 50% Glycerol, pH (7.3)                                                                 |
| <b>Target Molecular Weight</b> | 34 kDa                                                                                      |

**Product Description**

|                    |                                                                  |
|--------------------|------------------------------------------------------------------|
| <b>Host</b>        | Rabbit                                                           |
| <b>Gene ID</b>     | 3808                                                             |
| <b>Gene Symbol</b> | KIR2DS3                                                          |
| <b>Species</b>     | Human, Mouse                                                     |
| <b>Immunogen</b>   | Killer cell immunoglobulin-like receptor 2DS3. (Uniprot# Q14952) |

**Product Application Details**

|                              |                                        |
|------------------------------|----------------------------------------|
| <b>Applications</b>          | ELISA, Immunohistochemistry            |
| <b>Recommended Dilutions</b> | ELISA, Immunohistochemistry 1:50-1:500 |
