**NBP3-47943**

ASB13 Antibody - BSA Free

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 100 ug                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at -20C. Avoid freeze-thaw cycles.                                                                              |
| Clonality                   | Polyclonal                                                                                                            |
| Preservative                | 0.02% Sodium Azide                                                                                                    |
| Isotype                     | IgG                                                                                                                   |
| Purity                      | Immunogen affinity purified                                                                                           |
| Buffer                      | PBS, 50% Glycerol, pH (7.3)                                                                                           |
| Target Molecular Weight     | 30 kDa                                                                                                                |
| Product Description         |                                                                                                                       |
| Host                        | Rabbit                                                                                                                |
| Gene ID                     | 79754                                                                                                                 |
| Gene Symbol                 | ASB13                                                                                                                 |
| Species                     | Human, Mouse                                                                                                          |
| Immunogen                   | ankyrin repeat and SOCS box-containing 13. (Uniprot# Q8W XK3)                                                         |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                    |
| Recommended Dilutions       | Western Blot 1:500-1:1000, ELISA, Immunohistochemistry 1:50-1:200, Immunocytochemistry/ Immunofluorescence 1:10-1:100 |
