**NBP3-48565****SPATA13 Antibody**

| <b>Product Information</b> |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 100 ul                                                                                                           |
| <b>Concentration</b>       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| <b>Clonality</b>           | Polyclonal                                                                                                       |
| <b>Preservative</b>        | 0.01% Thimerosal                                                                                                 |
| <b>Isotype</b>             | IgG                                                                                                              |
| <b>Purity</b>              | Antigen Affinity-purified                                                                                        |
| <b>Buffer</b>              | 0.1M Tris, 0.1M Glycine, 20% Glycerol                                                                            |

| <b>Product Description</b> |                                                                                                                                                                               |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>         | Novus Biologicals Rabbit SPATA13 Antibody (NBP3-48565) is a polyclonal antibody validated for use in IHC. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>                | Rabbit                                                                                                                                                                        |
| <b>Gene ID</b>             | 221178                                                                                                                                                                        |
| <b>Gene Symbol</b>         | SPATA13                                                                                                                                                                       |
| <b>Species</b>             | Mouse, Rat                                                                                                                                                                    |
| <b>Immunogen</b>           | Recombinant protein encompassing a sequence within the center region of human SPATA13. The exact sequence is proprietary.                                                     |

| <b>Product Application Details</b> |                                                                  |
|------------------------------------|------------------------------------------------------------------|
| <b>Applications</b>                | Immunohistochemistry-Paraffin, Immunohistochemistry              |
| <b>Recommended Dilutions</b>       | Immunohistochemistry, Immunohistochemistry-Paraffin 1:100-1:1000 |
