Human Coronavirus Nucleocapsid Protein Antibody (60) [Allophycocyanin] - (HCoV-229E)

| Product Information         |                                                                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                           |
| Storage                     | Store at 4C in the dark.                                                                                                                                              |
| Clonality                   | Monoclonal                                                                                                                                                            |
| Clone                       | 60                                                                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                    |
| Isotype                     | IgG                                                                                                                                                                   |
| Conjugate                   | Allophycocyanin                                                                                                                                                       |
| Purity                      | Protein A purified                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                                                |
| Species                     | HCoV-229E                                                                                                                                                             |
| Specificity/Sensitivity     | Human Coronavirus Nucleocapsid Protein (HCoV-229E)                                                                                                                    |
| Immunogen                   | This antibody was obtained from a rabbit immunized with purified, recombinant Human Coronavirus Nucleocapsid Protein (HCoV-229E) (RefSeq#: NP_073556.1; Met1-Asn389). |
| Product Application Details |                                                                                                                                                                       |
| Applications                | ELISA                                                                                                                                                                 |
| Recommended Dilutions       | ELISA                                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                |
