| Unit Size               | 100 ug                                                                                      |
| Concentration           | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Store at -20 to -80C. Avoid freeze-thaw cycles.                                             |
| Clonality               | Monoclonal                                                                                  |
| Clone                   | rCSTA/8995                                                                                  |
| Preservative            | No Preservative                                                                             |
| Isotype                 | IgG2b Kappa                                                                                 |
| Purity                  | Protein A or G purified                                                                     |
| Buffer                  | 10 mM PBS                                                                                   |
| Target Molecular Weight | 11 kDa                                                                                      |

| Product Description |                                                                                                                                                                                                                                                     |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Prepared in 10mM PBS WITHOUT BSA & azide at 1.0mg/ml. Also available with 0.05% BSA & 0.05% azide.<br><br>Antibody with azide - store at 2 to 8 C. Antibody without azide - store at -20 to -80 C. Antibody is stable for 24 months. Non-hazardous. |
| Host                | Mouse                                                                                                                                                                                                                                               |
| Gene ID             | 1475                                                                                                                                                                                                                                                |
| Gene Symbol         | CSTA                                                                                                                                                                                                                                                |
| Species             | Human                                                                                                                                                                                                                                               |
| Immunogen           | Recombinant fragment of human CSTA protein (around aa 1-98) (exact sequence is proprietary) (Uniprot: P01040)                                                                                                                                       |

| Product Application Details |                      |
|-----------------------------|----------------------|
| Applications                | Immunohistochemistry |
| Recommended Dilutions       | Immunohistochemistry |
